Head: There is nothing more important than the comfort and care, safety and security of your family

Sub: *The ABCs of Caring for Kids*

Body: **TRY US Health Care Services** focuses on *pediatric home health care* supporting the special needs of children, their moms, dads, and families.

For over twenty years, **TRY US** has been providing skilled nursing care that conveys comfort and confidence to kids and their families.

Page 3

Sub: *For the Care that Comforts Children*

Body: Doctors, nurses, discharge planners, and social workers have come to depend on **Try Us** for their patients who require skilled nursing services. They depend on **Us** for their patients with serious and chronic illnesses, special needs, disabilities, and developmental delays. And they have come to depend on **Us** for patients who are in need of very special care when there is no cure.

Page 4

Sub: *The Caring Difference in Pediatric Home Care*

Body: **Try Us** is uniquely qualified. Working with families and clinicians, we develop the right care plans along with the right services and support for every child's needs. As we satisfy the requirements of those care plans, we evaluate and monitor your child's progress every step along the way. We are committed to making a difference by delivering high quality outcomes and customer satisfaction.

Try Us offers special therapies and early interventional services; we work with other care and support agencies in providing total solutions for children requiring home health care.
